

MCES is very aware that everyone has personal financial concerns and whether treatment is something they can really afford.

The dedicated and compassionate Patient Resource Staff will meet with you individually and with your family to help find the best options for you.

VISA, Mastercard, personal check, money order and cash are acceptable means of payment for the client's portion of the bill.

Please contact the Patient Resources Department at 610-279-6100 with any questions regarding any insurance or payment questions.
